2018-19

With a volunteer from each of the five Mid-Am states, our committee consists of: Roy Davis; Biff Cummings; Dalton Haas; JD Hobbs; Jim Smith; Keith and myself. Everyone agreed on a timeline, with the application deadline of April 25, 2018. Our goal is to get the funding to the programs close to the beginning of this season.

Multiple email blasts were sent out, beginning in January, with at least one and sometimes two each month, thank you to Lori for the tremendous help!

We gave the following timeline to the associations:

January 15 – post deadline

February 1 – send application to all Mid-Am associations and post on website

March 15 – send deadline reminder with the application again

April 25 – deadline for application

June Annual Meeting – winner will be announced, encouraged attendance

September 15 – final day to submit receipts or purchase orders for approved items only

October 1 – checks will be mailed to the winners of the Roger Sharrer "Grow Hockey" Award.

We have received a total of 26 applications, totaling \$125,495.00 of requested items. The RSA Committee reviewed all applications on a conference call on May 22nd. The final decision was for 23 awards to be recommended for a total of \$56,812.00. Certificates will be awarded during the Annual Meeting.
