

- Please remind associations that ice contracts and Certificate of Insurance will be forthcoming (2018-2019 season) and to prepare by completing the COI request on USA Hockey website and sending to me (along with ice contract) for review. USA Hockey policies are effective 9/1 so all Certificates needed for 2018-2019 hockey season cannot be issued (they can up to 8/31/2018) until USA Hockey policies for the 2018 insurance year have been finalized.
- Claim forms (player accident) are available through Association Registrar. I can assist if they have any questions regarding coverage.
- PLEASE have membership report any incidents in a timely fashion.

Take care.
